

# BOSTON LIGHTSABER STAGE COMBAT CLUB

## DAGOBAH

Two Jedi, Jade (master) and Jamie (apprentice) vs two Sith, Sid (master) and Sam (apprentice).

"X vs Y" means X is attacking Y.

Downstage is towards the audience; upstage is towards the rear of the stage.

Jamie rushes Sid, and Sid interrupts to push them aside: V (no kick), plus half of IV: 4 1/dodge 3 vs Jade. Jade does a hairpin turn while defending.

Jamie reels back; Sam attacks Jamie with II. Jamie force-yanks Sam from stage R to stage L to reverse direction.

Everyone swaps opponents; Sam attacks Jade in 3.

Jade vs Sam: IV, VI. (Sam sliding doors on the 3 of VI to double back.)

Sid vs Jamie: I, III-bind

Sid yanks Sam out; Sid vs Jade with 5-bind

Sam vs Jamie: modified VI: 1 3 2 5 force-shove Jamie out (for a long time)

Sid vs Jade: from the 5-bind, push Sid backwards and continue with V from the beginning. On the 1, Jade sidesteps to downstage and Sid goes slightly pass, and then Sid force-pushes Jade back to center stage.

A. Sam screamleaps in with a 5 which Jade dodges downstage; Sam continues with II (using a Force-yank); Sam circles to downstage to try and sandwich. Last 5 is changed to both Sith crossing blades on a hanging 1. Beat. Sith try to push Jade's saber to the ground. Beat. Jade recovers to push both blades up into the air; both Sith spin away from the action. Both Sith now circle Jade.

B. Sith try to attack at the same time but fail: Sam 3, Sid 2, Sam 1, Sid 3, Sam 1/dodge, both double on 1, shove off, and then double 4. Beat. Jade lifts both blades and ducks under to get out. (Mnemonic: Sam is doing first half of III; Sid is doing first half of VII.)

C. Jade yanks Sid away (to stage L) while Sam circles around to stage R, but Jade force-freezes Sam in place. Sid runs in with 5 (block in 5A), forces Jade to knees -- and Jamie comes running in to stab Sam from behind! Sam should stagger and die upstage.

D. Sid repeats a giant 5 to hammer Jade to the ground, knees Jade, and charges Jamie.

E. Sid starts a V against Jamie, but Jamie avoids the kick. Sid continues VIII.

F. Jade tries to rush Sid from behind, but gets Force-choked & thrown.

G. Jamie vs Sid: III to upstage left.

H. Sid counters: IV, 1, 3, spins to R->L slash against Jamie, and completes spin to stab Jamie.
